Hey!

I'm Jazreel

Capturing moments isn't the only thing I hope to achieve, I hope to help create wonderful memories through the time I spend with you during your shoot. To be able to look back and remember the time you lay on the floor together, catching that beam of light.

Every shoot to me is different, I love to experiment and try new ways to help you express who you are.

Thank you for taking the time off to look through the rate card! I hope that this would not just give you an idea of the types of photos I take but also to spark new ideas for your shoot!

A young man in a grey t-shirt and olive cargo shorts is lifting a young woman in a floral dress and black boots into his arms. They are both smiling and laughing in a grassy park area with trees and a building in the background. The text "UNFILTERED." is overlaid in the center of the image.

UNFILTERED.

A romantic photograph of a couple embracing in front of a large, powerful waterfall. The couple is standing on a rocky, moss-covered ledge. The waterfall is the central focus, cascading down dark, jagged rocks. The scene is set in a lush, green environment with moss and small plants growing on the rocks. The overall mood is serene and romantic.

A man and a woman are shown in profile, facing each other in a dimly lit room. The man is on the left, wearing a dark jacket, and the woman is on the right, wearing a dark, possibly sequined, dress. They are positioned in front of a large, glowing neon sign that features a circular border and intricate, abstract patterns in the center. The lighting is a mix of warm reds and oranges from the neon sign and cooler blues and greens from other light sources in the background. The overall mood is intimate and atmospheric.
